Individual Needs Questionnaire: Reception – Year 12

Seymour College has an open enrolment policy. In accordance with this policy and to ensure that all students have access to the most appropriate education and support for their individual needs, parents are required to complete an **Individual Needs Questionnaire: Reception – Year 12** before an Offer of Place can be made. The enrolment of a student identified with individual needs cannot be confirmed until full consideration has been given to the needs of the student and whether the College can appropriately meet her needs.

If you have identified any specific individual needs, we will arrange an appointment to discuss further with you how the College might best support your daughter's learning.

The enrolment of a student identified with individual needs cannot be confirmed until full consideration has been given to the needs of the student and whether the College can appropriately meet their needs.

It is essential to complete all sections of the above questionnaire accurately. Failure to do so may result in Seymour College being unable to accommodate your daughter's individual needs and may affect her continued enrolment should we become aware of these needs after your daughter has commenced her education at Seymour. Should your daughter's circumstances change before the time she commences as a student at Seymour, the information on this form must be updated.
