

Seymour College Fee Schedule 2018

The Seymour College Board is committed to enhancing our high standards and levels of achievement, and our unique educational programs for girls. As we have for 95 years, we aim to be at the forefront of girls' education and independent schooling.

Our priority is to provide the very best learning environment while minimising increases in the costs of education for our families. This requires careful planning and management and has considered a range of relevant issues, such as salary increases for staff, low staff/student ratios, wellbeing initiatives, breadth of curriculum and co-curriculum, facility and grounds improvements and CPI movements.

PAYMENT OF TUITION AND OTHER FEES

Seymour, like all independent colleges, relies on the prompt payment of fees to enable the College to operate.

In order to assist parents, the College Board has provided four payment plans of tuition and fixed charges, which can be elected using the online parent community payment portal:

Annually

A discount of 3% where the full year's fees are paid in advance by the first day of Semester 1.

Semester

Payable in advance at the commencement of each semester.

Quarterly

By election, with four instalments payable on the first day of each term.

Monthly

By election, with ten instalments payable on the last business day of each month commencing January to October inclusive (by direct debit via bank account or credit card only).

All other charges are to be paid as invoiced.

Payment Methods

- (1) MasterCard, Visa and American Express.
Credit card payments will attract a surcharge of 1% for American Express, MasterCard and Visa to recover bank processing and administrative costs.
- (2) Cheques made payable to Seymour College Inc.
- (3) BPay from participating financial institutions.
- (4) Bank account debit by way of direct debit authority.

LATE PAYMENT AND OVERDUE ACCOUNTS

Unless there is an agreed alternative payment arrangement in place, an administration fee of \$100 will be charged for late payments and overdue accounts.

The College shall, at its absolute discretion, charge interest on overdue accounts from the due date at the rate charged by the College's bankers for the overdraft facility plus 1% per annum calculated on a daily basis.

The College is entitled to recover any costs and legal fees associated with collecting any outstanding amounts.

If Semester 1 fees are not paid or satisfactory arrangements made by the first day of Term 2, the student will not be permitted to return to the College in Semester 2.

If the year's fees are not paid in full or satisfactory arrangements made by the first day of Term 4, the student will not be permitted to return to College for the commencement of the following school year.

Parents' and students' circumstances are to be considered in accordance with the wellbeing policies of the College.

Should you anticipate a problem with the payment of fees, please contact the Executive Director Corporate Services for a confidential discussion.

RESPONSIBILITY FOR PAYMENT OF ACCOUNTS

This rests jointly and severally with the person(s) who signed the enrolment form. If both parents have signed the enrolment form, one parent cannot remove themselves from the enrolment contract without consent from the College and the other parent.

Unless agreed otherwise with the College, the legal liability for fees remains in accordance with the enrolment form.

GOODS AND SERVICES TAX (GST)

School fees and many associated charges do not incur GST.

There are however a small number of educational related supplies (ie. school uniforms) that are subject to GST. The College will charge the tax where applicable.

VOLUNTARY BUILDING FUND (VBF)

In 2018 a voluntary donation of \$600 per family is requested, payable in line with your selected payment plan via the Parent Community Payment Portal.

These donations are voluntary and are tax deductible. The VBF will be directed to the College Foundation to assist Seymour in supporting the new Master Plan projects and maintaining and upgrading our facilities.

Alternatively, you may wish to commemorate your daughter's time at Seymour as outlined in our Giving to Seymour brochure. You can choose to invest in a new feature of the College, such as a named seat, paver, or personalised element from the Periodic Table in the new science laboratories.

To donate, visit www.seymour.sa.edu.au/donate or contact Vicky Lekis, Director of Advancement, on 8303 9072 or vlekis@seymour.sa.edu.au for further details.

ONE-TO-ONE COMPUTING DEVICE

Students in Years 3 to 12 are required to purchase a nominated device. Please refer to the website for more information.

BUS SERVICES

The College provides contracted bus services to the Adelaide Hills, North Eastern, Western, Southern and Northern suburbs.

Please contact the Bus Services Coordinator, Julian Roeger, on 8262 5111 for further information.

STUDENT ACCIDENT INSURANCE

The College has in place a Student Accident Insurance Plan to provide financial benefits to students and their families in the event of accidental injury.

The cover is for 24 hours a day, 7 days a week, provided the student is engaged in College or organised sporting activities, including travelling to and from such activities.

You can access a copy of the Student Accident Insurance Plan on our online collaboration system (SOCS).

NOTICE OF WITHDRAWAL OR CHANGE OF STATUS

To assist with our planning, a term's notice must be given or payment of a term's fee in lieu of notice before a student is withdrawn from the College. In the case of boarders, one term's notice in writing must be given before a student is withdrawn from the Boarding House or payment of a term's boarding fee in lieu of notice.

HOLDING FEE

There will be no discount of fees for a student's temporary absence from the College for less than one term.

For a temporary absence greater than one term, a holding fee will apply to maintain the student's enrolment. The holding fee will be 25% of the term's tuition fee per term of absence, calculated at the fee rate at the time of the absence, payable in advance.

All student absences for longer than one term must seek approval in writing to the Principal.
