

Senior Mathematics/Biology Teacher

Essential criteria

- An overriding commitment to, and high aspirations for, rigorous and innovative approaches to teaching and learning.
- Experience in course design, curriculum and assessment development.
- An understanding of assessment and reporting and a commitment to the development of online and continuous reporting development.

If this sounds like you and you have a passion for teaching and inspiring learning in others, then please submit your resume, covering letter and Academic Transcript/statement of subjects recently taught, to the Deputy Principal by using the 'Apply' link on Seek, at www.seek.com.au/38486520.

Recent graduates and applicants from the public or Catholic systems are encouraged to apply.

Applications will be accepted until 3.00pm Friday 15 March, 2019. The College reserves the right to begin interviews prior to the closing date.

We invite you to visit our website at www.seymour.sa.edu.au for more information about Seymour College.

All information provided by applicants will be subject to the Seymour College Privacy Policy which is available to view on the College website. Seymour College is an equal opportunity employer and embraces diversity in its community.
