

Senior Mathematics Teacher

Seymour College is a leading independent girls' school with an established reputation for academic excellence and a commitment to helping students reach their potential. Our vision is to foster young women of strength, optimism and justice. Our aim is to inspire within each student a passion for life-long learning, a celebration of community and a quest for personal excellence.

Due to increased enrolments in the Senior School, applications are invited for a Senior Mathematics teacher. This is a permanent, full time position, commencing in Term 1, 2020.

Essential Criteria

- An overriding commitment to, and high aspirations for, rigorous and innovative approaches to teaching and learning.
- Experience in course design, curriculum and assessment development.
- An understanding of assessment and reporting and a commitment to the development of online and continuous reporting development.

If this sounds like you and you have a passion for teaching and inspiring learning in others, then please submit your resume, covering letter and Academic Transcript/Statement of subjects recently taught, to the Principal by using the Apply link on our ad at www.seek.com.au/3987538.

Recent graduates and applicants from the public or Catholic systems are encouraged to apply. **Applications will be accepted up to 3.00pm on Monday 16 September, 2019.** The College reserves the right to begin interviews prior to the closing date.

We invite you to visit our website at www.seymour.sa.edu.au for a position description and more information about Seymour College.

All information provided by applicants will be subject to the Seymour College Privacy Policy which is available to view on the College website. Seymour College is an equal opportunity employer and embraces diversity in its community.
