5. Offer and Acceptance

Places of enrolment are offered in the order in which applications are received with due consideration given to the criteria for enrolment.

A requirement of being an approved child care service is that we follow the Australian Government's *Priority of Access Guidelines*, when there is a waiting list or a number of parents are applying for a limited number of vacant places.

Every Child Care Subsidy approved child care service is required to follow the guidelines and advise parents of the priority of access guidelines at the time of enrolment.

When required Seymour Early Years will allocate enrolments on the following basis:

- Priority 1:* a child at risk of serious abuse or neglect.

- Priority 2:* a child of a parent (or both parents if you have a partner) who satisfies the Government's work, training, study test (for the purposes of the priority of access guidelines).

- Priority 3:* any other child.

Within each of these main categories, children are to be given further priority as follows:

- siblings attending Seymour College or Seymour Early Years
- children enrolled at Seymour College
- children in Aboriginal or Torres Strait Islander families
- children of single parent families
- date when application received
- children in socially isolated families
- children in families that includes a disabled person
- children in families from a non-English speaking background

Seymour Early Years may require a Priority 3 child to vacate a place to make room for a child with a higher priority. This can only occur if:

- Parents are notified when you first enrolled your child that the priority of access guidelines are followed, and
- Parents are given at least 14 days' notice of the need for your child to vacate.

Acceptance of each offer must be made by the return of the signed Acceptance of Enrolment form.

6. Seymour Early Years Rules

Parents agree to be bound by the present and future rules and policies of the College and undertake to ensure their children will be bound by those rules.

7. Changes in Booking

Six weeks notice is required for a change in a permanent session booking. Changes to permanent bookings is subject to availability.

8. Children with Special Needs

Seymour College has an open enrolment policy. In accordance with this policy and to ensure that all children have access to the most appropriate education and support for their individual needs, we ask that you complete an Individual Needs Questionnaire. This is to ensure that we are fully informed of your child's individual requirements and can provide the necessary support.

If you have identified any specific individual needs, we will arrange an appointment to discuss further with you how Seymour Early Years might best support your child's learning. Should your child's circumstances change before the time she/he commences at Seymour Early Years, this information must be updated.
