The College is very conscious of the impact of school fees on the family budget, and does all it can to maintain the fees as low as practicable.

The 2013 fees have been determined after careful consideration of a range of relevant issues, including:

- Providing a further broadened curriculum in 2013, which gives increased opportunity for girls to access subjects that meet their specific interests and needs;
- Ongoing improvements to our facilities and our vast campus of over 100 000 square metres, to ensure the College provides a safe, effective and attractive learning environment for all students;
- Maintaining a low student:staff ratio in order to support a high level of individual pastoral and academic care for each student;
- Ensuring that salaries for staff are highly competitive so that we continue to attract and retain the very best staff in all areas of our operations; and,
- The national Educational Index (EI) which measures the increase in the cost of education, which is currently 8.1 for Secondary education and 6.0 for Pre School and Primary education.

The College has fixed the fees for 2013 as follows:

If prior arrangements are made, payments can be undertaken by 10 equal instalments due on the last day of each month commencing January 2013.
• All other costs are to be paid as they appear on the termly statement.

GOODS AND SERVICES TAX (GST)
School fees and many associated charges do not incur GST. There are however a small number of educational related supplies (ie school uniforms) that are subject to GST. The College will charge the tax where applicable.

VOLUNTARY BUILDING FUND
If requested, your voluntary contribution of $500 per family will be placed on your account according to your Election To Pay form. This payment is an allowable deduction for income tax purposes and a separate receipt will be issued in due course to indicate receipt of your contribution. These donations will be used to provide a capital base for building projects and to assist with the future capital works to improve the College’s facilities.

NOTICE OF REMOVAL OR CHANGE OF STATUS
To assist with our planning, a term’s notice must be given or payment made of a term’s fees in lieu of notice before a girl is removed from the College or before any extra subject is discontinued. In the case of boarders, one term’s notice in writing must be given before a girl is removed from the Boarding House or payment made of a term’s boarding fee in lieu of notice.
